ITTF HIGH PERFORMANCE & DEVELOPMENT AND ITTF FOUNDATION WORKSHOP

WTTC Halmstad, 2 May 2018

Content

1. ITTF's Social Responsibility
2. ITTF Foundation - aims and modus operandi
3. What's next?

SOLIDARITY THROUGH TABLE TENNIS

A clear structure for
ITTF's social responsibility

Digression: Corporate Social Responsibility what does this mean?

A social responsible behaviour...

... means that people and organisations must behave ethically and with sensitivity toward

- **social,**
- **cultural,**
- **economic**
- **and environmental issues**

© Michail Katsikadelis Photography

Digression: Corporate Social Responsibility what does this mean?

A social responsible behaviour...

... means for us, as an international federation, that we have to use our publicity and power to

- lead by example**
- convince others**
- create worldwide connections**

Digression: Corporate Social Responsibility what does this mean?

**A social responsible behaviour...
... is possible for individuals to act in
a solidary way in daily actions.**

Table Tennis is
a perfect sport
to promote
solidarity!

ITTF's social responsibility in the past

- **27 initiatives supported by ITTF between 2003 and 2017, including Dream Building projects, Youth Leadership Camps, World Table Tennis Day, manuals and guidelines**

ITTF's social responsibility in the past

- Over 250,000 people reached

ITTF's social responsibility in the past

- **Around 150 countries and independent regions involved**

ITTF's social responsibility in the past

- **Hundreds of tables,
thousands of rackets,
millions of balls distributed**

ITTF's social responsibility in the past

Peace and Sport Awards 2009

- 27 International citations
- 7 awards won
- 3 Mentions d'Honneurs
- 17 times shortlisted

ITTF's social responsibility in the future

The ITTF Foundation

- promotes table tennis and its benefits to a broad and different public
- fosters development through table tennis
- attracts more people to play
- improves daily lives through table tennis.
